Re: Notice of Ex Parte Communication: In the Matter of a National Broadband Plan for Our Future, GN Docket No. 09-51, and Pole Attachment, WC Docket No. 07-245

Dear Ms. Dortch:

Please accept this letter as notification of a telephone call on April 6, 2011, between Sean B. Cunningham of Hunton & Williams LLP and Zachary Katz, Legal Advisor to Chairman Genachowski. The communication was initiated by Mr. Katz, who posed a direct question regarding the make-ready timeline in the draft order. Specifically, during this telephone call, the parties discussed modifications to the make-ready timeline in the case of requests for especially large numbers of attachments. Also, Mr. Cunningham asked a procedural question about the expected timing of the release of the final order text to the public.

This notice has been filed in accordance with Section 1.1206(b) of the FCC's Rules, and one electronic copy of this notice is being filed in the above-referenced dockets.

Please do not hesitate to contact the undersigned if you have any questions.

Respectfully submitted,

/s/Sean B. Cunningham
